Saint Monica of Hippo's Feast Day is August 27.

Three Interesting Facts About My Saint:

- 1) St. Monica is the mother of St. Augustine
- 2) She cried every night praying for her son
- 3) She kicked Augustine out of her house because he left the Church

I chose this Saint because:

I wanted to be a wife and mother so much! She endured an abusive marriage and converted her husband to Christianity. She followed her son around, praying for him
